2. Most of these NPDES permits have expired and have been extended pursuant to EPA regulations (40 CFR 122.6.)
3. Individual NPDES permits are no longer needed for these discharges. All of these discharges are eligible for coverage under NPDES General Permit No. CAG912003, issued by the Board on July 20, 1994, as Order No. 94-087 (general waste discharge requirements). All of these dischargers submitted the technical information required for obtaining coverage under this NPDES General Permit and received an Executive Officer letter of authorization permitting discharge under the above-cited NPDES General Permit.
5. The rescission of waste discharge requirements (NPDES permits) for the discharges is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Section 13389 of the California Water Code.
6. The Board has notified the dischargers and interested agencies and persons of its intent to rescind waste discharge requirements (NPDES permits) for the discharges, and has provided them with an opportunity for a public hearing and an opportunity to submit their written views and recommendations.

7. The Board, in a public meeting, heard and considered all comments pertaining to the discharges.

IT IS HEREBY ORDERED that Board Orders Nos. 88-052, 89-069, 88-095, 86-013, 87-036, 90-006, 89-005, 90-057, 90-018, 89-145, 89-146, 90-077, and 90-040 are rescinded.

I, Steven R. Ritchie, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, San Francisco Bay Region, on January 18, 1995.

Steven R. Ritchie
Executive Officer
